

## SOME INVESTMENTS IN THE CITY

Name:  Class/Block:  Date:

The characters in The City all have investments – that is, ways of putting their money to use when they are not spending it. They have different kinds of investments, and some have more than one type. Some investments may be their own choice. They may have received others as gifts or earned them in other ways.

Why do you think your character has the investment he or she has?
